B. Approval of this Agreement and Dismissal of Claims Against Toshiba.

10. Plaintiffs and Toshiba shall use their best efforts to effectuate this Agreement, including cooperating in seeking the Court's approval for the establishment of procedures (including the giving of class notice under Federal Rules of Civil Procedure 23(c) and (e)) to secure the prompt, complete, and final dismissal with prejudice of the Action as to Toshiba.

11. Plaintiffs shall submit to the Court a motion for preliminary approval of the settlement and for authorization to disseminate notice of the settlement and final judgment contemplated by this Agreement to all Class Members (the "Motion"). If notice to the Class is given jointly with notice of any other class settlement, for purposes of Paragraph 21 below, the costs of notice and claims administration shall be prorated among the settlement funds established for other such settling defendants based on their respective settlement amounts. The Motion shall include: (i) a proposed form of, method for, and date of dissemination of notice; and (ii) a proposed form of order and final judgment. Interim Co-Lead Counsel shall provide Toshiba with the text of the foregoing items (i) and (ii) before submission of the Motion and shall cooperate with Toshiba with respect to the contents of both documents, with the

understanding that, among other things, individual notice of the settlement shall be mailed by regular mail or email, with appropriate notice by publication (in the event required by the Court), with all expenses paid from the Settlement Fund subject to Paragraph 21(a). The proposed form of order shall include such provisions as are typical in such orders, including finding that the proposed plan of notice complies with Rule 23 of the Federal Rules of Civil Procedure and the requirements of due process. Plaintiffs acknowledge that Toshiba has previously supplied Co-Lead Counsel with the names and addresses of potential Class Members reasonably available in Toshiba's sales database. The Motion shall recite and ask the Court to find that the mailing of the notice of settlement to all members of the Class who can be identified upon reasonable effort constitutes valid, due, and sufficient notice to the Class, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rules of Civil Procedure 23.

12. Plaintiffs shall seek, and Toshiba will not object unreasonably to the entry of, an order and final judgment, the text of which Plaintiffs and Toshiba shall agree upon. The terms of that order and final judgment will include, at a minimum, the substance of the following provisions:

(a) certifying the Class described in Paragraph 2, pursuant to Rule 23 of the Federal Rules of Civil Procedure, solely for purposes of this settlement as a settlement class;

(b) as to the Action, approving finally this settlement and its terms as being a fair, reasonable and adequate settlement as to the Class Members within the meaning of Rule 23 of the Federal Rules of Civil Procedure and directing its consummation according to its terms;

(c) finding that all Class Members shall be bound by this Agreement, including the release provisions and covenant not to sue set forth in this Agreement;

(d) as to Toshiba, directing that the Action be dismissed with prejudice and, except as provided for in this Agreement, without provision that Toshiba pay any separate attorneys' fees or costs;

(e) finding that the notice given constitutes due, adequate and sufficient notice and meets the requirements of due process and the Federal Rules of Civil Procedure;

(f) reserving exclusive jurisdiction over the settlement and this Agreement, including the administration and consummation of this settlement, to the United States District Court for the Northern District of California; and

(g) determining under Rule 54(b) of the Federal Rules of Civil Procedure that there is no just reason for delay and directing that the judgment of dismissal with prejudice as to Toshiba shall be final.

13. This Agreement shall become final when: (i) the Court has entered a final order certifying the Class described in Paragraph 2 and approving this Agreement under Rule 23(e) of the Federal Rules of Civil Procedure and a final judgment dismissing the Action with prejudice as to Toshiba against all Class Members and without attorneys' fees or costs other than those provided for in this Agreement; and (ii) the time for appeal or to seek permission to appeal from the Court's approval of this Agreement and entry of a final judgment as to Toshiba described in (i) hereof has expired without appeal, or, if appealed, approval of this Agreement and the final judgment as to Toshiba have been affirmed in their entirety, or the appeal has otherwise been finally dismissed, by the court of last resort to which such appeal has been taken and such affirmance or dismissal has become no longer subject to further appeal or review. It is agreed

that the provisions of Rule 6 of the Federal Rules of Civil Procedure shall not be taken into account in determining the above-stated times. On the date that Plaintiffs and Toshiba have executed this Agreement, Plaintiffs and Toshiba shall be bound by its terms and this Agreement shall not be terminated or otherwise rescinded except in accordance with Paragraphs 19(h), 20 or 29 of this Agreement.

14. Neither this Agreement (whether or not it should become final) nor the final judgment, nor any and all negotiations, documents, and discussions associated with them, shall be deemed or construed to be an admission by Toshiba (or the other Releasees) or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Toshiba (or the other Releasees), or of the truth of any of the claims or allegations contained in any complaint or any other pleading filed in the Action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding. Neither this Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any other action taken to carry out this Agreement by any of the settling parties shall be referred to, offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceedings, except in a proceeding to enforce this Agreement, or to defend against the assertion of Released Claims, as defined in Paragraph 15, or as otherwise required by law. This Paragraph 14 shall survive the termination or rescission of this Agreement.

C. Release, Discharge, and Covenant Not to Sue.

15. In addition to the preclusive effect of any final judgment entered in accordance with this Agreement, upon this Agreement becoming final as set out in Paragraph 13 of this Agreement, and in consideration of payment of the Settlement Amount, as specified in Paragraph

18 of this Agreement, into the Settlement Fund, and for other valuable consideration, the Releasees shall be completely released, acquitted, and forever discharged from any and all claims, demands, judgments, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Class Member has objected to the settlement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively or in any other capacity) that Releasers, or each of them, ever had, now has, or hereafter can, shall, or may have on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated, claims, causes of action, injuries, damages, and the consequences thereof in any way arising out of or relating in any way to the allegations in the Complaint and any act or omission of the Releasees (or any of them) that is alleged in the Complaint up to the date of the execution of this Agreement, or that could have been alleged in the Complaint or in any other complaint filed in the Action, such as those arising under common law or any federal, state or foreign antitrust, unfair competition, unfair practices, price discrimination, unitary pricing, consumer protection or deceptive trade practice law (the “Released Claims”). The Released Claims do not include claims for product defect or personal injury or breach of contract (unless based on the allegations in the Complaint) arising in the ordinary course of business or indirect purchaser claims for Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that were not purchased directly from Defendants or their subsidiaries, affiliates, or alleged co-conspirators. Releasers shall not, after the date of this Agreement, sue or otherwise seek to establish liability against any Releasee based, in whole or in part, upon any of the Released Claims or conduct at issue in the Released Claims. For purposes of clarity, the Released Claims include any claims under foreign antitrust or competition laws or state antitrust or competition laws that relate to or arise out of the

subject of the Complaint, but do not include any foreign antitrust or competition law claims or any state law indirect-purchaser claims that relate to or arise out of the sale of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that: (a) were not purchased from a Defendant, a subsidiary or affiliate of a Defendant, or an alleged co-conspirator in the Action; or (b) were not billed to or shipped to the United States.

16. In addition to the provisions of Paragraph 15 of this Agreement, Releasors hereby expressly waive and release, upon this Agreement becoming final, any and all provisions, rights, and benefits conferred by § 1542 of the California Civil Code, which states:

CERTAIN CLAIMS NOT AFFECTED BY GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR;

or by any law or common law principle of any state or territory of the United States, or any other jurisdiction, which is similar, comparable, or equivalent to § 1542 of the California Civil Code. Each Releasor may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the Released Claims, but each Releasor hereby expressly waives and fully, finally, and forever settles and releases, upon this Agreement becoming final, any known or unknown, suspected or unsuspected, contingent or non-contingent claim with respect to the subject matter of the provisions of Paragraph 15 of this Agreement, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

17. The release, discharge, and covenant not to sue set forth in Paragraph 15 of this Agreement does not include claims by any of the Class Members other than the Released Claims and does not preclude Class Members from pursuing claims based on indirect sales or foreign

sales of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products so long as such claims are not based on the same purchases included as part of the Released Claims defined in Paragraph 15. The Releasors hereby covenant and agree that they shall not, hereafter, sue or otherwise seek to establish liability against any of the Releasees based, in whole or in part, upon any of the Released Claims.

D. Settlement Amount.

18. Subject to the provisions hereof, and in full, complete and final settlement of the Action as provided herein, Toshiba shall pay the Settlement Amount of \$2,900,000 (the “Settlement Amount”), and no additional amount at any time, whether for wire transfer fees or bank fees of any kind associated with the wire transfer of funds, interest, notice, administration costs, attorneys’ fees, or otherwise. The Settlement Amount shall be paid into an escrow account in United States Dollars to be administered in accordance with the provisions of Paragraph 19 of this Agreement (the “Escrow Account”) within thirty (30) days after execution of this Agreement.

19. Escrow Account.

(a) The Escrow Account will be established at Citibank N.A.— Citi Private Bank, San Francisco, California, with such Bank serving as escrow agent (“Escrow Agent”), such escrow to be administered under the Court’s continuing supervision and control.

(b) The Escrow Agent shall cause the funds deposited in the Escrow Account to be invested in instruments backed by the full faith and credit of the United States Government or fully insured in writing by the United States Government, or money market funds, invested substantially in such instruments, and shall reinvest any income from these instruments and the proceeds of these instruments as they mature in similar instruments at their then current market

rates.

(c) All funds held in the Escrow Account shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to this Agreement and/or further order(s) of the Court.

(d) Plaintiffs and Toshiba agree to treat the Settlement Fund as being at all times a qualified settlement fund within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 19, including the “relation-back election” (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

(e) For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Escrow Agent. The Escrow Agent or its designee shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k)(1)). Such returns (as well as the election described in Paragraph 19(d)) shall be consistent with Paragraph 19(d) and in all events shall reflect that all Taxes, as defined below (including any estimated taxes, interest or penalties), on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 19(f) hereof.

(f) All of the following shall be paid out of the Settlement Fund: (i) taxes

(including any estimated taxes, interest or penalties) arising with respect to the income earned by the Settlement Fund, including any taxes or tax detriments that may be imposed upon Toshiba or any other Releasee with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes (“Taxes”); and (ii) expenses and costs incurred in connection with the operation and implementation of Paragraphs 19(a)-19(b) and 19(d) through 19(f) (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 19(f) (“Tax Expenses”)).

(g) Neither Toshiba nor any other Releasee nor their respective counsel shall have any liability or responsibility for the Taxes or the Tax Expenses or for obtaining or maintaining the tax status desired for the Settlement Fund. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court, and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any claimants authorized by the Court any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)). Neither Toshiba nor any other Releasee is responsible nor shall they have any liability therefor. Plaintiffs and Toshiba agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of Paragraphs 19(d) through 19(f).

(h) If this Agreement does not receive final Court approval, including final

approval of “the Class” as defined in Paragraph 2 above or if the Action is not certified as a class action for settlement purposes, or if this Agreement is terminated as provided herein, or the Judgment is overturned on appeal or by writ, then all amounts paid by Toshiba into the Settlement Fund (other than notice costs expended in accordance with Paragraph 21(a)) shall within thirty (30) calendar days be returned to Toshiba from the Escrow Account by the Escrow Agent along with any interest accrued thereon.

20. Exclusions

(a) Within ten (10) business days after the end of the period to request exclusion from the Class, Interim Co-Lead Counsel will cause copies of timely requests for exclusion from the Class to be provided to counsel for Toshiba. To the extent that Toshiba determines in good faith that its sales of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products between January 1, 2000 and May 31, 2011 to potential members of the Class (or any of them) who have requested exclusion from the Class represent an amount of sales equal to or greater than 50% of Toshiba’s sales Li-Ion Cells, Li-Ion Batteries and Li-Ion Products in the United States during that period, Toshiba may terminate the Agreement within thirty (30) days of receipt of the list of exclusions.

(b) If Toshiba terminates this Agreement pursuant to Paragraph 20(a), then all amounts paid by Toshiba into the Settlement Fund (other than notice costs expended in accordance with Paragraph 19(a)) shall be returned to Toshiba from the Escrow Account by the Escrow Agent along with any interest accrued thereon within thirty (30) calendar days.

(c) With respect to any potential Class Member who requests exclusion from the Class, Toshiba reserves all of its legal rights and defenses, including, but not limited to, any defenses relating to whether the excluded Class Member is a direct purchaser of any allegedly

price-fixed product and/or has standing to bring any claim.

21. Payment of Expenses.

(a) Toshiba agrees to permit use of a maximum of \$200,000 of the Settlement Fund towards notice to the Class and the costs of administration of the Settlement Fund. The \$200,000 in notice and administration expenses are not recoverable if this settlement does not become final to the extent such funds are expended for notice and administration costs. Other than as set forth in this Paragraph 21(a), neither Toshiba nor any of the other Releasees under this Agreement shall be liable for any of the costs or expenses of the litigation of the Action, including attorneys' fees; fees and expenses of expert witnesses and consultants; and costs and expenses associated with discovery, motion practice, hearings before the Court or any Special Master, appeals, trials or the negotiation of other settlements, or for Class administration and costs.

(b) If Interim Co-Lead Counsel enters into any other settlements on behalf of the Class before notice of this Agreement is given to the Class, Interim Co-Lead Counsel shall use its reasonable best efforts to provide a single notice to prospective members of the Class of all of the settlements.

E. The Settlement Fund.

22. Releasors shall look solely to the Settlement Fund for settlement and satisfaction against the Releasees of all Released Claims, and shall have no other recovery against Toshiba or any other Releasee.

23. After this Agreement becomes final within the meaning of Paragraph 13, the Settlement Fund shall be distributed in accordance with a plan to be submitted at the appropriate time by Plaintiffs, subject to approval by the Court. In no event shall any Releasee have any

responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, or administration of the Settlement Fund, including, but not limited to, the allocation of settlement amounts among Class Members or the costs and expenses of such distribution and administration, with the sole exception of the provisions set forth in Paragraph 21(a) of this Agreement. The Releasors hereby fully, finally and forever release, relinquish and discharge the Releasees and their counsel from any and all such liability.

24. Plaintiffs and Class Counsel shall be reimbursed and indemnified solely out of the Settlement Fund for all expenses. Neither Toshiba nor any of the other Releasees under this Agreement shall be liable for any costs, attorneys' fees, or expenses of any of Plaintiffs' or the Class' respective attorneys, experts, advisors, agents, or representatives, but all such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement Fund.

25. Class Counsel's Attorneys' Fees And Reimbursement of Expenses.

(a) Class Counsel may submit an application or applications to the Court (the "Fee and Expense Application") for distribution to them from the Settlement Fund and Toshiba shall not oppose such application for: (i) an award of attorneys' fees not in excess of one-third of the Settlement Fund; plus (ii) reimbursement of expenses and costs incurred in connection with prosecuting the Action, plus interest on such attorneys' fees, costs, and expenses at the same rate and for the same period as earned by the Settlement Fund (until paid) as may be awarded by the Court (the "Fee and Expense Award"). Class Counsel reserve the right to make additional applications for fees and expenses incurred, but in no event shall Releasees be responsible to pay any such additional fees and expenses except to the extent they are paid out of the Settlement Fund.

(b) The Fee and Expense Award, as approved by the Court, shall be paid

solely from the Settlement Fund.

(c) The procedure for and the allowance or disallowance by the Court of the application by Class Counsel for attorneys' fees, costs, and expenses to be paid out of the Settlement Fund are not part of this Agreement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the settlement, and any order or proceeding relating to the Fee and Expense Application, or any appeal from any such order shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the judgment approving the settlement.

(d) Neither Toshiba nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to any payment to Class Counsel of any Fee or Expense Award in the Action.

(e) Neither Toshiba nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to the allocation among Class Counsel, or any other person who may assert some claim thereto, of any Fee or Expense Award that the Court may make in the Action.

F. Cooperation.

26. Toshiba shall reasonably cooperate with Interim Co-Lead Counsel as set forth specifically below:

(a) Any documents Toshiba produces to any other party in the Action, Toshiba shall produce to Interim Co-Lead Counsel within ten (10) days of the production to such other party.

(b) Plaintiffs may continue to participate in, and ask questions during, any depositions of Toshiba witnesses noticed by other plaintiffs in MDL No. 2420.

(c) Upon written request by Interim Co-Lead Counsel, Toshiba agrees to provide Interim Co-Lead Counsel to the extent it is reasonably practicable information and/or declarations, affidavits, or other evidence with respect to Toshiba's produced Li-Ion Cell, Li-Ion Battery, Li-Ion Battery Pack, and/or Li-Ion Products data related to purchases, sales, production, capacity and cost.

(d) Upon written request by Interim Co-Lead Counsel, Toshiba will provide in the Action a written declaration under oath of an employee competent to testify that no more than fifty (50) documents produced from the files of Toshiba in the Action are authentic under FRE 901 and meet the requirements of business records under FRE 803(6) (the "Toshiba Declaration"), to the extent it is able to do so in good faith. Interim Co-Lead Counsel will select the documents meeting the foregoing requirements and will notify Toshiba of same, following which notice Toshiba will have fifteen (15) days to provide the Toshiba Declaration. Interim Co-Lead Counsel will not request the Toshiba Declaration until the earlier of (i) forty-five (45) days prior to the date on which trial of the Action is set to begin or (ii) forty-five (45) days before any deadline in the Action by which Interim Co-Lead Counsel must establish the authenticity or status as business records of trial exhibits, whether through the submission of declarations or other similar evidence.

(e) If the affidavits or declarations previously identified are insufficient to authenticate and lay the foundation into evidence of any Toshiba produced documents or data, to the extent reasonably practicable, Toshiba shall provide one witness who will authenticate to the best of their ability and lay the foundation for admission into evidence any Toshiba produced documents or data.

(f) If any document protected by the attorney-client privilege, attorney work-product protection, joint defense or any other protection, privilege, or immunity is accidentally or inadvertently produced under this Paragraph, the document shall promptly be destroyed and/or returned to Toshiba, and its production shall in no way be construed to have waived any privilege or protection attached to such document.

27. Except as provided in Paragraph 26 of this Agreement, Toshiba need not respond to formal discovery from Plaintiffs, or supplement prior responses to formal discovery that has been previously propounded by Plaintiffs or otherwise participate in the Action during the pendency of this Agreement. Toshiba agrees to withdraw all outstanding discovery served on Plaintiffs to the extent such discovery was not served concurrently with another Defendant who remains in the Action, and neither Toshiba nor Plaintiffs shall file motions against the other during the pendency of the Agreement other than to the extent necessary to enforce this Agreement.

28. Toshiba and Plaintiffs agree not to disclose publicly or to any other party to the Action the terms of this Agreement until this Agreement is submitted to the Court for approval.

G. Rescission if this Agreement is Not Approved or Final Judgment is Not Entered.

29. If the Court refuses to approve this Agreement or any part hereof, including if the Court does not certify a settlement class in accordance with the specific class definition set forth in Paragraph 2 above, or if such approval is modified or set aside on appeal, or if the Court does not enter the final judgment provided for in Paragraph 12 of this Agreement, or if the Court enters the final judgment and appellate review is sought, and on such review, such final judgment is not affirmed in its entirety, then Toshiba and the Plaintiffs, shall each, in their sole discretion, exercised in good faith, have the option to rescind this Agreement in its entirety.

Written notice of the exercise of any such right to rescind shall be made according to the terms of Paragraph 40 within thirty days of the event triggering the right to rescind. A modification or reversal on appeal of any amount of Class Counsel's fees and expenses awarded by the Court from the Settlement Fund, or the allocation of the Settlement Fund as between Class Members, shall not be deemed a modification of all or a part of the terms of this Agreement or such final judgment.

30. In the event that this Agreement does not become final or is rescinded or terminated in accordance with Paragraph 29, then this Agreement shall be of no force or effect and all parts of the Settlement Fund caused to be deposited in the Escrow Account (including interest earned thereon) shall be returned forthwith to Toshiba less only disbursements made in accordance with Paragraph 21(a) of this Agreement. Toshiba expressly reserves all of its rights and defenses if this Agreement does not become final.

31. Further, and in any event, Plaintiffs and Toshiba agree that this Agreement, whether or not it shall become final, and any and all negotiations, documents, and discussions associated with it, shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Toshiba or the Releasees, or of the truth of any of the claims or allegations contained in the Complaint or any other pleading filed in the Action, or by any person or entity in any other action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding.

32. This Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Agreement, for a complete resolution of the Released Claims with respect to each Releasee as provided in this Agreement.

33. The parties to this Agreement contemplate and agree that, prior to final approval of the settlement as provided for in Paragraphs 10-13 hereof, appropriate notice of: (1) the settlement; and (2) a hearing at which the Court will consider the approval of this Agreement will be given to Class Members.

H. Miscellaneous.

34. This Agreement does not settle or compromise any claim by Plaintiffs or any Class Member asserted in the Complaint or, if amended, any subsequent complaint, against any Defendant or alleged co-conspirator other than the Releasees. All rights against such other Defendants or alleged co-conspirators are specifically reserved by Plaintiffs and the Class. Toshiba's sales to the Class shall not be removed from the Action.

BASIC INFORMATION

1. Why did I get this Notice?

You or your company may have directly purchased Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products from January 1, 2000 through May 31, 2011. For purposes of the settlements, a direct purchaser is a person or business who bought a Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product directly from one or more of the Defendants, or any division, subsidiary or Affiliate thereof, or any alleged co-conspirator (as opposed to an intermediary, such as a retail store) in the United States.

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the settlements.

The Notice explains the litigation, the settlements, and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR. The people who sued are called Plaintiffs and the companies they sued are called Defendants.

2. Who are the Defendant companies?

The Defendant companies include: LG Chem, Ltd.; LG Chem America, Inc.; Samsung SDI Co. Ltd.; Samsung SDI America, Inc.; Panasonic Corporation; Panasonic Corporation of North America; SANYO Electric Co., Ltd.; SANYO North America Corporation; Sony Corporation; Sony Energy Devices Corporation; Sony Electronics Inc.; Hitachi Maxell, Ltd.; Maxell Corporation of America; NEC Corporation; NEC Tokin Corporation; and Toshiba Corporation.

3. What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of Li-Ion Cells for over ten years, resulting in overcharges to direct purchasers of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products. The complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by agreeing to fix prices and restrict output of Li-Ion Cells by, among other things, face-to-face meetings and other communications, customer allocation, and the use of trade associations. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

4. Why are there settlements but the litigation is continuing?

Plaintiffs have reached settlements with Defendants Maxell, NEC, Toshiba and Panasonic. The Panasonic Settlement also resolves claims against SANYO. The Court has already approved a settlement with another group of Defendants—Sony Corporation, Sony Energy Devices Corporation and Sony Electronics Inc. (collectively “Sony”). The case is continuing against the remaining non-released Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

5. What are Li-Ion Cells, Li-Ion Batteries, and Li-Ion Products?

For the purposes of the settlements:

- “Lithium Ion Battery Cell(s)” or “Li-Ion Cells” means the main components of Lithium Ion Batteries. A cell includes the cathode, anode, and electrolyte.
- “Lithium Ion Battery” or “Li-Ion Battery” means a cylindrical, prismatic or polymer battery that is rechargeable and uses lithium ion technology.
- “Lithium Ion Battery Products” or “Li-Ion Products” means products manufactured, marketed and/or sold by Defendants, their divisions, subsidiaries or Affiliates, or their alleged co-conspirators that

**For More Information: Call 1-844-778-5952
or Visit www.BatteriesDirectPurchaserAntitrustSettlement.com**

contain one or more Lithium Ion Battery Cells manufactured by Defendants or their alleged co-conspirators. Lithium Ion Battery Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

6. What is a class action?

In a class action, one or more people, called class representatives, sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

Important information about the case will be posted on the website **www.BatteriesDirectPurchaserAntitrustSettlement.com** as it becomes available. Please check the website to be kept informed about any future developments.

THE SETTLEMENT CLASSES

7. How do I know if I'm part of the settlement classes?

The Maxell, NEC and Toshiba settlement classes include persons and entities who, from January 1, 2000 through May 31, 2011, bought a Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product directly from one or more of the Defendants, or any division, subsidiary or Affiliate thereof, or any alleged co-conspirator (as opposed to an intermediary, such as a retail store) in the United States. The Panasonic settlement class includes persons and entities who made such purchases from May 1, 2002 through May 31, 2011.

8. What do the settlements provide?

The settlements provide for payments totaling \$49,850,000 in cash, plus interest, as follows: Maxell—\$3.45 million; NEC—\$1 million; Panasonic—\$42.5 million; Toshiba—\$2.9 million. The settlements also provide for continuing cooperation, including the production of witnesses. In addition, Settling Defendants' sales remain in the case for the purpose of computing damages against the remaining Defendants.

More details are in the settlement agreements, available at
www.BatteriesDirectPurchaserAntitrustSettlement.com

9. When can I get a payment?

No money will be distributed to any members of the settlement classes yet. The lawyers will pursue the lawsuit against the remaining defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

You will be notified in the future when and where to send a claim form. **DO NOT SEND ANY CLAIMS NOW.**

In the future, the settlement funds will be allocated on a *pro rata* basis based on the dollar value of each class member's purchase(s) of Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products in proportion to the total claims filed. For purposes of determining the *pro rata* allocation of the settlement funds, purchases of Li-Ion Batteries and/or Li-Ion Products will be valued according to the proportionate value of the Li-Ion Cells contained in the product. The resulting amounts will be multiplied by the net settlement funds (total settlements minus all costs, attorneys' fees, and expenses) to determine each claimant's *pro rata* share of the settlement fund.

10. What are my rights in the settlement classes?

**For More Information: Call 1-844-778-5952
or Visit www.BatteriesDirectPurchaserAntitrustSettlement.com**

Remain in the settlement classes: If you wish to remain a member of the settlement classes you do not need to take any action at this time.

Get out of the settlement classes: If you wish to keep any of your rights to sue Maxell, NEC, Panasonic, SANYO and/or Toshiba about claims concerning the manufacture, supply, distribution, sale or pricing of Li-Ion Cells, other than indirect purchaser claims, or claims for product liability, personal injury, or breach of contract claims not related to the allegations in this case, you must exclude yourself from the settlement classes relating to the Defendant(s) you wish to retain your rights to sue. You will not get any money from the settlements from which you exclude yourself.

To exclude yourself from one or more of the settlement classes, you must send a letter that includes the following:

- Your name, address and telephone number (include trade or business names, and address, and telephone numbers);
- A statement saying that you want to be excluded from *In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR, Direct Purchaser Plaintiff settlements with Maxell, NEC, Panasonic and/or Toshiba.
- Your signature.

You must mail your exclusion request, postmarked no later than **June 26, 2017**, to:

In re Lithium Ion Batteries Antitrust Litigation
Settlement Administrator
P.O. Box 4098
Portland, OR 97208-4098

Remain in the settlement classes and Object: You can ask the Court to deny approval of one or more of the settlements by filing an objection. You can't ask the Court to order larger settlements; the Court can only approve or deny the settlements. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

You may object to the proposed settlements in writing. You may also appear at the Fairness Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for paying that attorney. All written objections and supporting papers must (a) clearly identify the case name and number (*In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR), (b) be submitted to the Court either by mailing them to the Class Action Clerk, United States District Court for the Northern District of California, 1301 Clay Street, Oakland, CA 94612, or by filing them in person at any location of the United States District Court for the Northern District of California, and (c) be filed or postmarked on or before **June 26, 2017**.

11. What am I giving up to stay in the settlement classes?

Unless you exclude yourself from the relevant settlement class(es), you can't sue Maxell, NEC, Panasonic, SANYO or Toshiba, or be part of any other lawsuit against Maxell, NEC, Panasonic, SANYO or Toshiba, about the legal issues in this case. It also means that all of the decisions by the Court will bind you. The "Release of Claims" includes any causes of actions asserted or that could have been asserted in the lawsuit, as described more fully in the settlement agreements. The settlement agreements are available at **www.BatteriesDirectPurchaserAntitrustSettlement.com**.

Why was this notice published?

Settlements have been reached with four groups of defendants in a class action lawsuit involving Lithium Ion Cells (“Li-Ion Cells”), Lithium Ion Batteries (“Li-Ion Batteries”) and Lithium Ion Battery Products (“Li-Ion Products”). A Li-Ion Battery is a cylindrical, prismatic or polymer battery that is rechargeable and uses lithium ion technology. Li-Ion Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators engaged in an unlawful conspiracy to fix, raise, maintain or stabilize the prices of Li-Ion Cells. Plaintiffs further claim that direct purchasers from the Defendants of Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products manufactured by a Defendant may recover for the effect that the alleged conspiracy had on the prices of the purchased items. Plaintiffs allege that, as result of the unlawful conspiracy involving Li-Ion Cells, they and other direct purchasers paid more for Li-Ion Cells, Li-Ion Batteries and Li-Ion Products than they would have absent the conspiracy. Defendants deny Plaintiffs’ claims.

The settlements provide for payments totaling \$49,850,000 in cash, plus interest, to the settlement classes. Some Settling Defendants have agreed to produce witnesses in the case against the remaining Defendants. Money will not be distributed to members of the settlement classes at this time. The lawyers will pursue the lawsuit against the other Defendants, to see if any future settlements or judgments can be obtained in the case and then be distributed together, on a *pro rata* basis based on the value of your Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product purchases, to reduce expenses.

What are my rights?
